

Demographic data for the Marsden Fund - last 5 funding rounds 2020-2024

- Investigating demographic data for Marsden Fund investigators across the last 5 funding rounds from 2020 to 2024.
- Two cohorts of data are presented for each demographic category
 - All panels included
 - Panels without the inclusion of the HUM and SOC panels.
- Below are tables and proportional graphs for gender, Māori, and the number of selections of Pacific Peoples¹ by investigators.
